LIBRARY FACILITIES

Pen out your ideas & thoughts all over the whiteboard walls in the Doodle Room! *New!*

Grab the whiteboard markers provided and start doodling on the walls at Library, Level 2!

## One way to get rid of Styrofoam: Feed it to mealworms

The Styrofoam used for hot drinks and other packaging has created environmental problems as it does not decompose easily. Scientists have discovered a worm which will readily feed on and break up Styrofoam. If you wish to explore further, read the original research paper published by American Chemical Society (ACS) Publications.
